Explanations: \* It is the program where candidates who apply to more than one program are placed in order of preference based on their evaluation scores. \* Its the program where candidates who apply to more than one program are placed in order of preference based on there evaluation scores. \* According to the MS result, students who receive: Conditional Acceptance" must document there fight in language proficiency of undergraduate Program Lateral Transfer Directive. (2) candidates who and occument their right) in language proficiency of the additional document and the additin addite additional document and the additional doc

registered in. Their final registration will be made according to the provision "Candidates who have received one year of preparatory exclation will use given one insist even of preparatory exclation will be given one given on a second seco REASONS FOR REJECTION: 1- It does not meet the condition in the 4th paragraph of the 12th article of the AGÜ Undergraduate Lateral Transfer Regulation. The candidate is placed in his/her first choice according to his/her evaluation score.
 At does not meet the conditions in Article 14 of the AGU Undergraduate Lateral Transfer Regulation.
 4-It does not meet the conditions in Article 17 of the AGU Undergraduate Lateral Transfer Regulation.

5- It does not meet the condition in subparagraph of paragraph 1 of article 10 of the AGÜ Undergraduate Lateral Transfer Regulation.
6- It does not meet the quota requirement specified in the second paragraph of the 9th article of the AGÜ Undergraduate Lateral Transfer Regulation.

7- It has not been evaluated according to the 2nd paragraph of the 7th article of the AGÜ Undergraduate Lateral Transfer Regulatio
