

## **PAYMENT AND COURSE SELECTION PROCEDURES FOR STUDENTS OF AGÜ**

If you are a student already enrolled at AGU and would like to take summer courses,

1. First of all, you need to pay the fee per hours(s) of the course(s) you have selected via Vakıfbank ATMs, mobile application, online banking or Branch Offices as described below.

Follow these steps on your internet banking screen: Payments->Education and Examination Payments->University Tuition Fee Transactions->University (Abdullah Gül Üniversitesi). Write your Student Number and on the next screen enter the payment amount calculated by multiplying the total hours you will take with the fee per hours of that course into the "Other Amount" box to continue with the payment.

2. Then, enter your user name and password on <https://uis.agu.edu.tr/buis/Login.aspx> . Following login, you may add your courses on the course selection screen and send it to your advisor approval.
