

2024 SUMMER SCHOOL FEES PER COURSE HOUR		
FACULTY	Fee Per Course Hours	International Students and Students from Other Universities
Faculty of Managerial Sciences	85	255
Faculty of Humanities and Social Sciences	80	240
Engineering, Architecture, Life and Natural Sciences Faculties	112	336
Post Graduate Programs	73	219

Summer School Fee = Course Hours x Fee Per Hour

Example: PHYS101 course has 3 theoretical and 2 practical credit hours. In total, PHYS101 is a 5- hour course.

<p>AGÜ Turkish Students</p> <p>Engineering students will pay $5 \times 112 = 560$ for PHYS101.</p> <p>Management Sciences students will pay $5 \times 85 = 425$ for PHYS101.</p>
<p>AGÜ International Students</p> <p>Engineering international students will pay $5 \times 336 = 1680$ for PHYS101.</p> <p>Managerial Sciences international students will pay $5 \times 255 = 1275$ for PHYS101.</p>
<p>Students Outside of AGÜ</p> <p>Engineering students outside of AGU will also pay $5 \times 336 = 1680$ for PHYS101.</p> <p>Managerial Sciences students outside of AGU will also pay $5 \times 255 = 1275$ for PHYS101.</p>

Payments made for the Summer School will not be refunded for any reason.

Summer School course hour fees vary according to the Faculty of the student.
