

INSTRUCTIONS TO BE MADE REGARDING SUMMER SCHOOL COURSE SELECTION AND FEES;

The course selection instructions for students enrolled in a Higher Education Council other than our university are as follows:

Registration to the SIS system for students registered at a different Higher Education Council other than our university;

- They must send the [form](#) containing the information via e-mail to basvuru@agu.edu.tr between 08:00-17:00 on Tuesday, June 25, 2024.
- In addition, since the medium of instruction at our University is 100% English, they must also submit documents proving that they meet the language requirement.
- After registration to the system is made in line with the information submitted, the system login information will be sent to the students by e-mail.
- For course selection, like our students registered at our University, they will log in to the Student Information System with their passwords from the link sis.agu.edu.tr between 14:00 on Tuesday, June 25, 2024 and 17:00 on Thursday, June 27, 2024.

Finally, when the course selection is completed, you will see the number of courses taken and the amount you need to pay (**General Balance**) on the screen.

[Click](#) for payment steps.

Since you have made a payment, the General Balance will be displayed as 0.

If you have completed the payment process, you will click on the **Check** button.

If the transactions are completed without any problems, the **Finalize** button will be displayed in the same area.

When you Finalize your course registration, the course registration step will be completed.

In the next process, **your Advisor will confirm your registration**. After the advisor's approval, the words **Finalized** and **Approved** will be displayed on the same screen. If you can see this, your transaction has ended.

You can follow your lessons.
