Finally, when the course selection is completed, you will see the number of courses taken and the amount you need to pay (**General Balance**) on the screen.

Since you have made a payment, the General Balance will be displayed as 0.

If you have completed the payment process, you will click on the **Check** button.

If the transactions are completed without any problems, the **Finalize** button will be displayed in the same area.

When you Finalize your course registration, the course registration step will be completed.

In the next process, **your Advisor will confirm your registration**. After the advisor's approval, the words **Finalized** and **Approved** will be displayed on the same screen. If you can see this, your transaction has ended.

You can follow your lessons.
